Every farmer knows the folly of robbing his lands of virtue and strength without restoring anything, but the same man may rob his nerve system of strength and vitality for years and then wonder why disease has fastened on him. To all such unthinking spendthrifts of nerve force Dr. Wheeler's Nerve Vitalizer comes as a friend to build up and revitalize the impoverished nerves and restore health. Abundant nerve force insures perfect physical and mental health and Dr. Wheeler's Nerve Vitalizer strengthens and makes nerve force. Sold by Grant Holden, Yale.

Bert Warner, of Bridgen, Ont., has been bell-boy at Somerville Springs during the past season. He has often been entrusted with money, etc., and always found trustworthy. One day last week he was given a draft of \$150 to be cashed and also about \$10 to buy postage stamps. He, together with a boy relative, skipped the town with all the money, but by the quickness of sending telegrams to different places, they were both found in Algonac, to which place they had walked and where they were freely showing their money. They were taken to Port Huron and landed in jail. Bert Warner lived in Yale at one time with his widowed mother.

Women make good jurors and to them we wish briefly to sum up the evidence proving superiority of Magic Dyes, to wit: They color anything and everything and are easy to use.

They give fast colors, which do not crook or fade like most other brands. The packages are larger than other 10 cent dyes and color nearly double the goods. Other brands require a separate package for cotton, while nearly all Magic colors will dye cotton, wool, silk etc., with same package, making them far superior for coloring mixed goods. Furthermore, try them, follow the simple directions and your verdict after trial will be for Magic Dyes. Sold by Grant Holden, Yale.

There are a number of our subscribers who want the EXPOSITOR and would feel annoyed were this office to cease sending it to them, but they don't think of paying for the paper when payment is due. The expense of running a paper like the EXPOSITOR runs over \$25 a week, and the employees must be paid weekly and the material connected with the running of the concern must be paid for. For this reason we expect every subscriber, who is inadvertently in arrears, to pay all arrearages on or before the 15th of January. We need the money at this time or otherwise would not request you to be so prompt. A few dollars just now will be very acceptable. Who will bring us the first?

No man is too poor to take his home newspaper, says an exchange, and it is false economy to get along without it. Hardly a week passes that something does not appear in its columns that will be a financial benefit to the subscriber, and by the end of the year he has made or saved from one to twenty times its subscription price. The city papers do not take the place of the home paper, although some people seem to think they do. The city papers are all right in their way, but they don't give you what you are most interested in—your county news. You cannot learn from them when and where public meetings are to be held, who are dying and who are marrying, who are moving in and who are moving out, who wants to sell land—in fact, hundreds of items which might be of particular importance for you to know. Such matter city papers cannot furnish, but the home newspaper can and does. If you can afford but one paper, by all means take one that is published in the village in which you live.

Christmas Night Entertainment.

The Junior League of the M. E. church will give an entertainment Christmas night, consisting of recitations, dialogues and songs, assisted by others who will contribute to the program the following:

Violon Solo.—Miss Lulu High. Recitation, selected.—Miss Anna Brown.

Solo—"The Fatal Wedding" Miss Rada Rapley.

Piano Duets—"The Jolly Blacksmith." Misses Hennessey and Moore.

Quintette—"Good Night" Misses Rapley, High, Palmer, Kelley, and Moore.

A Large Judgment Affirmed.

Lansing, December 18.—Probably the largest judgment ever rendered in a suit for damages by the Ingham County Circuit Court was affirmed by the Supreme Court to-day. In May, 1893, John O. Grinnell, a member of Frank Tucker's band, while marching along the principal street of this city was struck by an electric car and knocked down. He received injuries to his lungs which subsequently caused his death. A suit was instituted against the Lansing Street Railway Co. and a verdict of \$13,500 rendered by the jury. A bond was given to secure the payment of the judgment, and an appeal taken. The Supreme Court affirmed the judgment, which must now be paid. With costs and interest the claim now amounts to over \$13,000. Judge Martin V. Montgomery is administrator of the estate of young Grinnell, and the latter's heirs will receive the money to be obtained from the street railway company.
